SUPPLEMENTARY INFORMATION: PBGC is requesting that OMB approve modifications to an information collection needed to locate and pay participants and beneficiaries who may be entitled to pension benefits under a defined benefit plan that has terminated. The collection consists of information that participants and beneficiaries are asked to provide when applying for benefits. In addition, in some instances, as part of a search for participants and beneficiaries who may be entitled to benefits, PBGC requests individuals to provide identifying information that the individual would provide as part of an initial contact with PBGC. The information collection also includes My Pension Benefit Account (My PBA), an application on PBGC's Web site, <http://www.pbgc.gov>, through which plan participants and beneficiaries may conduct electronic transactions with PBGC, including applying for pension benefits, designating a beneficiary, changing contact information, and applying for electronic direct deposit. All requested information is needed to enable PBGC to determine benefit entitlements and to make appropriate payments, or to provide respondents with specific information about their pension plan so they may obtain rough estimates of their benefits.

PBGC will add one new form to the information collection, Form 717, Benefit Inquiry Questionnaire. PBGC will send this form to individuals who contact PBGC to inquire whether PBGC is holding any benefits to which they are entitled. The questionnaire will request information that PBGC needs to determine whether the individual is owed benefits and, if so, the benefit amount.

In addition, PBGC is making clarifying, simplifying, editorial, and other changes to the information collection.

The collection of information has been approved by OMB under control number 1212-0055 (expires December 31, 2015). PBGC is requesting that OMB extend its approval (with modifications) for three years from its approval date. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

PBGC estimates that the average annual burden associated with this collection of information will be 126,090 hours and \$1,360 for the next three years. The burden estimate includes 124,410 hours and \$1,330 for participants in plans covered by the PBGC insurance program. The remaining burden is attributable to participants expected to be covered by the

expanded Missing Participants program under Pension Protection Act of 2006 amendments to ERISA, once that program is in effect.

Issued in Washington, DC, this 23 day of December 2015.
